

Annual OAFP/Foundation Auction

For the first time ever, the Annual OAFP/Foundation Auction will take place in the city of Portland – and there's cause for celebration!

This special "Our Town" event seeks to pay tribute to the best our city has to offer – from sushi and steak houses to ball games and ballet. The Wall of Wine will be back and we'll be raffling off terrific "in town" and "out of town" packages. This is also a great opportunity to pick up a unique gift for that special mom in your life! Please plan on attending this year's Auction on Friday, May 7th, beginning at 5:30 pm.

This year the Foundation will also be teaming up with the Area Health Education Center (AHEC) in honor of their 20th Anniversary.
